A
MONSEIGNEUR
LE DAUPHIN.

MONSEIGNEVR,

L'inclination que vous avez toûjours fait paroître pour les beaux Arts, & la protection dont vous les avez honorez, les

ont élevez presque à leur perfection: Aussi se sont-ils flatez d'abord, estant si heureusement cultivez, de pouvoir servir à vôtre Gloire, en donnant à la Posterité d'illustres marques de vos Vertus. La Peinture & la Sculpture, ont employé leurs plus belles expressions pour ce noble dessein; mais leur zele les a trompées, elles se sont surpassées, sans approcher de leur fin; & ces beaux Arts, qui ont autrefois enchery sur la vertu des Héros, & qui ont élevé plusieurs Princes, par le génie de l'Ouvrier, au dessus de leur mérite, ne peuvent aujourd'huy dans des mains plus sçavantes que celles d'Apelle & de Phidias, dresser un Monument digne de Vous. Ie ne puis neantmoins, MONSEIGNEVR,

leur reprocher l'impuiſſance où ils ſont, puis qu'on ne la peut attribuer qu'à la ſublimité de vos vertus: je louë plutoſt leur zele, j'en ſuis animé, & je veux ſeconder leur deſſein, en fourniſſant aux Peintres, aux Sculpteurs, & aux Graveurs, d'ingénieux Caracteres, dont ils formeront avec ornement le Chiffre de vôtre AUGUSTE NOM, *qui relevera leurs Ouvrages, & qui achevera d'imprimer dans l'Eſprit, ce que l'Ouvrier n'aura pû que foiblement exprimer. Puiſſe cet* AUGUSTE NOM *eſtre gravé ſur autant de Monumens, qu'il eſt gravé ſur de Cœurs. C'eſt la ſeule ambition que j'ay,* MONSEIGNEVR, *en publiant ce petit Ouvrage, que je prens la liberté de vous pré-*

senter. I'oſe eſpérer que vous l'honorerez de vôtre Protection, puis qu'il eſt uniquement conſacré à vôtre Gloire, & que celuy qui le dévouë à une fin ſi ſublime, eſt avec un tres-profond reſpect,

MONSEIGNEVR,

Vôtre tres-humble, tres-obeïſſant,
& tres-fidelle Serviteur,

CHARLES MAVELOT.

PRIVILEGE DU ROY.

LOUIS PAR LA GRACE DE DIEV, ROY DE FRANCE ET DE NAVARRE. A nos amez & feaux Conſeillers, les Gens tenans nos Cours de Parlement, Maiſtres des Requeſtes ordinaire de noſtre Hoſtel, Baillifs, Senéchaux, & autres nos Juſticiers & Officiers qu'il apartiendra. SALVT. Noſtre cher & bien amé CHARLES MAVELOT, Graveur de noſtre bonne Ville de Paris, nous a fait remontrer, que l'attachement & ſinguliere application, qu'il a euë dans l'Art qu'il profeſſe, luy a fourny une ample connoiſſance de ce qu'il y avoit de ſecret, de curieux, & d'utile, non ſeulement à ceux de ſon Art, mais encore à pluſieurs autres, comme Peintres, Sculpteurs, Orfevres, Horlogeurs, & Brodeurs, par un Livre de Chiffres qu'il a gravez en Alphabet, ſimples & redoublez de deux, trois, ou quatre Lettres entrelaſſées, lequel il deſiroit mettre en lumiere; Et d'autant qu'il eſt utile, il a juſte ſujet de craindre que quelque perſonne ne s'ingere de le contrefaire, & ne luy oſte le fruit d'un Ouvrage de telle importance auquel il a employé pluſieurs années; pourquoy il nous a tres-humblement ſuplié luy accorder nos Lettres à ce neceſſaires. A CES CAVSES, deſirant favorablement traiter l'Expoſant, & luy donner lieu de retirer le fruit de ſon travail & de ſon Ouvrage, & encore celuy de l'engager à l'augmenter par de plus amples recherches, afin qu'il puiſſe l'enrichir par de nouveaux ornemens; Nous luy avons permis, octroyé, & accordé, permettons, octroyons, & accordons par ces Preſentes ſignées de noſtre main, de graver, faire graver, imprimer, faire imprimer, vendre, & debiter ledit Livre de Chiffres qu'il a inventé & compoſé, pendant le temps de ſix années entieres & accomplies, à compter du jour que ledit Livre ſera achevé d'imprimer pour la premiere fois. Faiſons tres-expreſſes inhibitions, & defenſes à tous Imprimeurs, Graveurs, & tous autres de quelque qualité & condition qu'ils ſoient, de graver, vendre, ny debiter ledit Livre ſans le conſentement dudit Expoſant, ou de ceux qui auront droit de luy, à peine de mil livres d'amende contre chacun des contrevenans, applicable, un tiers à Nous, un tiers à l'Hôpital General, & l'autre à l'Expoſant, confiſcation des Exemplaires contrefaits, & de tous dépens, dommages, & intereſts; comme auſſi d'en apporter, vendre & diſtribuer, de ceux qui pourroient avoir eſté contrefaits aux Païs étrangers, auſſi ſous quelque prétexte que ce ſoit. Defendons auſdits Graveurs de graver, faire graver, imprimer & vendre, meſme ſéparement, aucunes des Planches dudit nouveau Livre de Chiffres, ſur les peines ſuſdites; à la charge de mettre par l'Expoſant deux Exemplaires dudit Livre dans noſtre Biblioteque publique, un en celle de noſtre Cabinet du Louvre, & un en celle de noſtre tres-cher & feal Chevalier le Sieur le Tellier, Chancelier de France, avant de l'expoſer en vente, à peine de nullité des Preſentes; du contenu deſquelles vous mandons faire joüir l'Expoſant dans tous les Lieux, Païs, Terres & Seigneuries de noſtre obeïſſance, & ceux qui auront droit de luy, ſans ſouffrir qu'il luy ſoit donné aucun trouble ny empeſchement; & qu'en mettant au commencement ou à la fin dudit Livre un Extrait des Preſentes, elles ſoient tenuës pour bien & deuëment ſignifiées, & qu'aux Copies collationnées par l'un de nos amez & feaux Conſeillers & Secretaires, foy ſoit adjoûtée comme à l'Original. Commandons au premier noſtre Huiſſier ou Sergent ſur ce requis, faire pour l'execution des Preſentes toutes Significations, Actes, & Exploits neceſſaires ſans autre permiſſion, nonobſtant Clameur de Haro, Chartre Normande, & Lettres à ce contraires. Car tel eſt noſtre plaiſir. Donné à Saint Germain en Laye le vingtiéme jour de Fevrier, l'An de grace mil ſix cens ſoixante & dix-neuf, & de noſtre Regne le trente-ſeptiéme. LOUIS. Par le Roy, PHELYPEAVX.

Régiſtrées, Oüy le Procureur General du Roy, pour joüir par l'Impetrant, ſes Hoirs, Succeſſeurs, & ayans cauſe, du contenu en icelles, & eſtre executées ſelon leur forme & teneur, ſuivant l'Arreſt de ce jour. A Paris en Parlement le 16. Avril 1680. LACQVES.

Les Exemplaires ont eſté fournis.
